Right to Know and Data Portability

You have the right to request that we disclose certain information to you about our collection and use of your personal information over the past 12 months (the "right to know"). Once we receive your request and confirm your identity (see Exercising Your Rights), we will disclose to you:

- The categories of personal information we collected about you.

You have the right to request that we delete any of your personal information that we collected from you and retained, subject to certain exceptions (the "right to delete"). Once we receive your request and confirm your identity (see Exercising Your Rights), we will review your request to see if an exception allowing us to retain the information applies.

We may deny your deletion request if retaining the information is necessary for us or our service provider(s) to:

1. Complete the transaction for which we collected the personal information, provide a good or service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, or otherwise perform our contract with you.

7. Enable solely internal uses that are reasonably aligned with consumer expectations based on your relationship with us.
8. Comply with a legal obligation.
9. Make other internal and lawful uses of that information that are compatible with the context in which you provided it.

We will delete or deidentify personal information not subject to one of these exceptions from our records and will direct our service providers to take similar action.

Right to Correct

You have the right to request that we correct any of your personal information that we collected from you and retained, subject to certain exceptions (the "right to correct"). Once we receive your request and confirm your identity (see Exercising Your Rights), we will review your request to see if an exception allowing us to retain the information applies.

We may deny your deletion request if a request proves impossible, involves our disproportionate effort, or we believe that you are improperly seeking correction of accurate information.

Exercising Your Rights

To exercise the access, data portability, your right to know, to delete, or correct, please submit a verifiable consumer request to us by either:

- Calling us at +1 (855) 364-6674
- Emailing us at compliance@dmgmori-usa.com

Only you, or someone legally authorized to act on your behalf, may make a request related to your personal information.

You may only make a request twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

You do not need to create an account with us to submit a request to know or delete.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Response Timing and Format

We will confirm receipt of your request within ten (10) business days. If you do not receive confirmation within the 10-day timeframe, please contact us using the contact information below.

We endeavor to substantively respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to another 45 days), we will inform you of the reason and extension period in writing.

If you have an account with us, we may deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Non-Discrimination

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services.
